Day 26

*Read Crocs and Gators.

*Write 2 interesting facts and 2 opinions about an animal that you have read about in Crocs and Gators.

*Find something in your house that you think would measure about an inch, a foot, and a yard. Draw a picture of each thing and label which length item is.

Day 27

*Read Crocs and Gators

*Complete the comprehension quiz..

*Solve the following equations:

$$150+30=x \quad 130+60=x \quad 250-30=x$$

$$280-50=x \quad 230+50=x \quad 280-40=x$$

Day 28

*Read Introducing Planet Earth.

*List 2 interesting facts from the story.

* Find a 2 dimensional shape in your house and describe it . Find a 3 dimensional shapes in your house and describe it .

Day 29

- Read Introducing Planet Earth.
- Complete the comprehension quiz.
- Solve the following math equations.
 $170+25=x$ $130+38=x$ $165+30=x$
 $180-50=x$ $175-30=x$ $148-23=x$

Day 30

- Read Smelly Clyde
- List some things Clyde is good at.
- Solve the following math equations.
 $135+60=x$ $122+70=x$ $150+x=180$
 $190-50=x$ $160-30=x$ $184-20=x$

Day 31

- Read The Story of the Statue.
- Write 3 interesting facts about The Statue of Liberty.
- Find something in your house that you think would measure about an inch, a foot, and a yard. Draw a picture of each thing and label.

Day 32

- Read The Story of the Statue.
- Complete the comprehension quiz.
- Solve the following equations:
 $250+45=x$ $230+65=x$ $350-40=x$
 $380-150=x$ $330+56=x$ $480-50=x$

Day 33

- Read The Empire State Building.
- List 3 interesting facts from the story.
- Find a 2 dimensional shape in your house and describe it. Find a 3 dimensional shape in your house and describe it.

Day 34

- Read Empire State Building.
- Complete the comprehension quiz.
- Solve the following math equations:

$$\begin{array}{lll} 355+130=x & 340+55=x & 340+37=x \\ 380-60=x & 570-160=x & 480-70=x \end{array}$$

Day 35

- Read Sugar, Sugar Everywhere.
- List some foods that have sugar in them.
- Why can too much sugar be bad for you?
- Find something in your house that you think would weigh less than a pound, about a pound, and more than a pound. Draw and label each item.

Here are some objects that weigh about a pound:

a can of soup, a football, a package of noodles, and a 16 ounce can of soda.

Day 36

- Read The Gray Wolf.
- Write 3 interesting facts about gray wolves.
- Find something in your house that you think would measure about an inch, a foot, and a yard. Draw a picture of each thing and label.

Day 37

- Read The Gray Wolf.
- Complete the comprehension quiz.
- Solve the following equations:

$$450+55=x \quad 530+70=x \quad 350+60=x$$

$$480-275=x \quad 430+35=x \quad 580-90=x$$

Day 38

- Read Dragonflies.
- List 3 interesting facts about dragonflies.
- Find a 2 dimensional shape in your house and describe it. Find a 3 dimensional shape in your house and describe it.

Day 39

- Read Dragonflies.
- Complete the comprehension quiz.
- Solve the following math equations:

$$455+132=x \quad 445+155=x \quad 540+48=x$$

$$680-260=x \quad 870-165=x \quad 780-90=x$$

Day 40

- Read How Animals Sleep.
- Complete the comprehension quiz.
- Find something in your house that you think would weigh less than a pound, about a pound, and more than a pound. Draw and label each item.

Here are some objects that weigh about a pound:

a can of soup, a football, a package of noodles, and a 16 ounce can of soda.
