agriculture

Civil War

diversify

factories

"New South"

railroad lines

After the _____, the southern economy barely limped along. Its agricultural center had been rocked, its landscape destroyed, its factories and fields burned. In the years afterward, a newspaper editor in Atlanta named Henry Grady began to make speeches in northern cities promoting the idea of a _____. Southerners like Grady believed that the economies of the southern states were too focused on only a few industries like agriculture, and needed to _____ in order to survive. The New South Grady argued for would be crisscrossed by _____ and dotted with stations, and _____ in southern cities would generate as much wealth and employ as many people as _____ alone had in decades past.

Define the terms, concepts, or people and explain how they are related to each other.

1. racial etiquette _____

lynching _____

2. robber barons _____

monopoly _____

3. immigrants _____

industrialization _____

4. temperance movement _____

Carrie Nation _____

CHAPTER 7

COMPREHENSION ASSESSMENT (PAGE 6 OF 6)

VI. EXTENDED ANSWER

Write 1–2 paragraphs on a separate sheet of paper to answer each question. Be sure to support your ideas with evidence and examples from the text.

1. How did the success of the lumber industry create an environmental problem for Arkansas? How have Arkansans addressed the problem since then?
- ~~2. What factors made the election of 1888 one of the most controversial elections in Arkansas history?~~
- ~~3. How did involvement in the Spanish-American War and World War I affect Arkansas and the nation?~~
- ~~4. Discuss the ideas of black Progressive leaders Booker T. Washington and W. E. B. DuBois for promoting equality for African Americans. How were their ideas alike, and how were they different?~~
